

Gunter Independent School District

Continuing the Tradition of Excellence

P.O. Box 109 | Gunter, TX 75058

October 13, 2015

Mr. White,

The message you brought to our campus through the Measured by Character program is indeed real and relevant to today's youth.

Sharing your son's life and legacy allows us to better understand how unique and precious each life is and furthermore the impact each of us can make during our short time on this Earth.

I appreciate the transparency in which you spoke to our staff and students. The adults in the room were affected as much as the "kids". We all have the opportunity to write our own obituary. Even more important we are reminded how our words and actions empower others to write their own!

Please allow me the privilege to recommend your program to other school districts and educational entities.

Stay steadfast in spreading a message of hope.

Sincerely,

Chris Dodd
