In a period of 60 days, Jacksboro ISD was devastated by the loss of three students in three separate events. The students, staff, and entire community were suffering pain and sense of loss that is difficult to explain with words. We were hurting.

The Measured By Character program played a key role in helping us begin the healing process. Mr. Wade White was able to make slight alterations to his traditional message to target our specific needs. These changes were perfect! Wade delivered the message and his story with love, honesty, hope, and passion that Jacksboro truly needed. Many students and staff members were able to experience the "peace in release" that is a cornerstone of the program.

I am confident this message will have a positive impact on any campus. Please feel free to contact me if I can be of further assistance.

Sincerely,
